**Contract Number DIR-TSO-2548**  
**between**  
**State of Texas, acting by and through the Department of Information Resources**  
**and**  
**MYTHICS, INC.**

This Amendment Number 3 to Contract Number DIR-TSO-2548 (“Contract”) is between the Department of Information Resources (“DIR”) and Mythics, Inc. (“Vendor”). DIR and Vendor agree to modify the terms and conditions of the Contract as follows:

**1. Contract, Section 2. Term of Contract,** is hereby amended as follows:

DIR and Vendor hereby agree to extend the term of the Contract for one (1) year through October 16, 2017 or until terminated pursuant to the termination clauses contained in the Contract. Prior to expiration of the term, DIR and Vendor may extend the Contract, upon mutual agreement for up to one optional one-year renewal period.

**2. Contract, Section 7. Software License and Service Agreements, D. Conflicting or Additional Terms,** is hereby amended as follows:

**D) Conflicting or Additional Terms**

In the event that conflicting or additional terms in Service Agreements or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor’s initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer’s authorized signatory.

Vendor shall not [without prior written agreement from Customer’s authorized signatory,] require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method

for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer or Publisher.

- 3. Appendix A, Standard Terms and Conditions for Product and Related Services** is hereby restated in its entirety and replaced with the Attached Appendix A, Standard Terms and Conditions for Product and Related Services dated 06/21/16 except where previous authorized exceptions to Appendix A were allowed and documented as part of the Contract. In such cases, the previously authorized exceptions shall be applied to the portions of the new Appendix A which are comparable to those in the earlier Appendix A for which they were written, and this without regard for the numbering or lettering associated with any of the documents. Applied in such manner, the exceptions shall remain in full force and effect until such time the contract expires or is terminated.

## **B. Ownership**

As between Vendor and Customer, the Work Product and Intellectual Property Rights therein are and shall be owned exclusively by Customer, and not Vendor, except when Oracle serves as a subcontractor to Vendor providing technical support, education, hosted/outsourcing services, consulting or other services. Oracle retains all ownership and intellectual property rights to its programs. Oracle retains all ownership and intellectual property rights to anything developed using Oracle Programs and delivered under this contract resulting from Services provided by Oracle. In the circumstances described above, Vendor guarantees that it grants Customer a fully paid, perpetual, transferable license to use and modify all such work or product. To the extent that the Work Product, under applicable law, may not be considered works made for hire, Vendor hereby agrees that the Contract effectively transfers, grants, conveys, assigns, and relinquishes exclusively to Customer all right, title and interest in and to all ownership rights in the Work Product, and all Intellectual Property Rights in the Work Product, without the necessity of any further consideration, and Customer shall be entitled to obtain and hold in its own name all Intellectual Property Rights in and to the Work Product. Vendor acknowledges that Vendor and Customer do not intend Vendor to be a joint author of the Work Product within the meaning of the Copyright Act of 1976. Customer shall have access, during normal business hours (Monday through Friday, 8AM to 5PM) and upon reasonable prior notice to Vendor, to all Vendor materials, premises and computer files containing the Work Product. Vendor and Customer, as appropriate, will cooperate with one another and execute such other documents as may be reasonably appropriate to achieve the objectives herein. No license or other right is granted hereunder to any Third Party IP, except as may be incorporated in the Work Product by Vendor.

**8. Appendix A, Section 5.I, Intellectual Property Matters,** is hereby replaced in its entirety as follows:

**I. Third-Party Underlying and Derivative Works.**

To the extent that any Vendor IP or Third Party IP are embodied or reflected in the Work Product, or are necessary to provide the Services, Vendor hereby grants to the Customer, or shall obtain from the applicable third party for Customer’s benefit, the non-exclusive, non-assignable, royalty-free, perpetual (unless otherwise specified in the ordering document), limited right to use the Programs and receive any services the Customer ordered solely for the Customer’s internal business operations and subject to the terms of the End User License Agreement, including the definitions and rules set forth in the order and the program documentation. Upon payment of undisputed amounts due for Services, Customer has the non-exclusive, non-assignable, royalty free, perpetual, limited right to use for Customer’s internal business operations anything delivered under this contract; however, certain deliverables may be subject to additional license terms provided in the ordering document. Customer is prohibited from duplicating the Programs except that Customer may make a sufficient number of copies of each Program for its licensed use and one copy of each program media.

Vendor agrees to notify Customer on delivery of the Work Product or Services if such materials include any Third Party IP. On request, Vendor shall provide Customer with documentation indicating a third party's written approval for Vendor to use any Third Party IP that may be embodied or reflected in the Work Product.
